

# Tulsa Farmers' Market

## Vendor List

\*Updated 4/14/20

Thank you for supporting Oklahoma producers! Please note that this list and its details may be incomplete as many farmers are still deciding how they will be conducting business without a farmers market. We will update this list as frequently as possible. If you have questions regarding a specific vendor please reach out to our market staff at 918-636-8419, or [info@tulsafarmersmarket.org](mailto:info@tulsafarmersmarket.org)
